When using tank mixes always follow the statutory conditions of all tank mix partners. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. ADAMA Agricultural Solutions UK Ltd. gives no warranty and accepts no liability in respect of physical compatibilities and use is at growers own risk. Apollo® 50 SC is a registered trademark of the ADAMA group. Apollo® 50 SC contains 500g/L (42% w/w) clofentezine. Use plant protection products safely. Always read the label and product information before use. For further product information, including warning phrases and symbols, refer to www.adama.com/uk or call The Technical Helpline on 01635 860 555.
