### Incompatible mixes

DO NOT tank mix with Eagle.

When using tank mixes always follow the statutory conditions of all tank mix partners. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. ADAMA Agricultural Solutions UK Ltd gives no warranty and accepts no liability in respect of physical compatibilities and use is at growers own risk.

Bumper® 250 EC contains 250g/L (25.1% w/w) propiconazole. Use plant protection products safely. Always read the label and product information before use.
