Creado el www.ceres-cert.de

CERES autoriza a dicha empresa a utilizar el sello CERES en los productos especificados anteriormente siempre que la presente confirmación sea válida. El sello CERES es propiedad de CERES GmbH, Happurg, Alemania. Esta confirmación se basa en una inspección in situ y/o pruebas de laboratorio. Estas pruebas solo confirman la ausencia de sustancias prohibidas, no la presencia de sustancias declaradas por el productor. Es responsabilidad de la empresa mencionada anteriormente asegurarse de que todos los lotes vendidos bajo los nombres comerciales mencionados anteriormente, o con referencia a la agricultura orgánica o con el sello CERES, cumplan con la(s) norma(s). CERES no ha verificado otros aspectos de la calidad, como por ejemplo, la eficacia de los materiales para el propósito declarado. CERES no es responsable de la conformidad de los materiales enumerados anteriormente con la legislación nacional, ni asumimos ninguna responsabilidad por el registro correcto de los productos con las autoridades competentes en el país respectivo.

¹ CERES utiliza las categorías de acuerdo con la legislación de la UE, Estados Unidos y / o Japón. Estas categorías pueden diferir en otros países.

Client # : 140499

RESULT OF THE DOCUMENTARY EVALUATION

ISSUED : January 9, 2025

EXPIRES : February 19, 2026

Madam/Sir,

ECOCERT CANADA has reviewed the declared formulae for the products listed below against the National Standard of Canada on Organic Production Systems and Permitted Substances Lists (CAN/CGSB 32.310 and CAN/CGSB 32.311).

ECOCERT CANADA has verified that all the declared ingredients appear on the Permitted Substances Lists (CAN/CGSB-32.311) applicable sections and are compliant with any restrictions regarding their production and composition.

ECOCERT CANADA has also verified that the declared processes used in the manufacture of this/ these products and its/ their ingredients are compliant with section 1.4, 1.5 and section 6.4.4 of CAN/CGSB-32.310.

When restrictions apply regarding the use of such substances, they are indicated in the table in annex.

We remind you that no reference to ECOCERT CANADA is allowed on the labels and promotional material of these products

This document is valid until its expiration date. A new evaluation is required every year.

Organic operators must check with the certifier before using any input.

Cordially,

INPUT VERIFICATION SERVICE

STOCKTON ISRAEL LTD

ABOUT US

A world leader in Botanical Crop Protection

STK is a bio-ag technology company, committed to protect crops. Our breakthrough, botanical crop protection solutions – a synergy of cutting-edge scientific research and technology – enhance the safety, yield and quality of multiple crops.

STK helps growers to deliver cleaner and healthier crops. Our botanical-based and hybrid solutions are easily integrated into conventional spraying programs, helping to advance the IPM (Integrated Pest Management) approach to growing crops. They enable everyone in the food production ecosystem to adhere to regulatory standards and support the transition to sustainable agriculture.
