

# HSE Mission Statement

As a crop protection leader, ADAMA strives for excellence in Health, Safety and Environment.

## OUR PEOPLE

ADAMA believes that each of us should have a safe and healthy working environment and is proactively addressing risks and skill gaps.

## OUR PLANET

ADAMA adopts a sustainable approach to protect the environment by promoting renewable energy, recycling and waste reduction.

## OUR CULTURE

ADAMA promotes an organizational culture for safety and environmental ownership by each of us.

## OUR POLICIES

ADAMA meets or exceeds relevant HSE regulations, industry standards and international treaties.

## OUR COMMUNITIES

ADAMA values being a preferred employer and supportive member of our communities.
