Product	Max. Individual Dose	Max. Total Dose
Ethofumesate	Depends on product	1000g/Ha in any 3 year period.
Safari Lite	280g	Maximum of 2 applications per crop

Before using any tank mixture, consult and comply with the recommendations of the partner products. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. ADAMA Agricultural Solutions UK Ltd accepts no liability in respect of physical compatibilities and use is at growers own risk. Use plant protection products safely. Always read the label and product information before use. For further product information, including warning phrases and symbols, refer to www.adama.com/uk or call The Technical Helpline on 01635 876 622. GOLTIX® 70SC is a registered trademark of the ADAMA group. GOLTIX® 70SC contains 4700g/L (58.3% w/w) metamitron. All Third-Party trademarks are duly acknowledged.
