| | | |
|----------------------|----------------------|-----------------------|
| Ascra Xpro + Arizona | Myresa + Arizona | Revystar XE + Arizona |
| Elatus Era + Arizona | Priaxor EC + Arizona | Soratel + Arizona |

When using tank mixes always follow the statutory conditions of all tank mix partners. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. ADAMA Agricultural Solutions UK Ltd gives no warranty and accepts no liability in respect of physical compatibilities and use is at growers own risk. CLEAVE® is a registered trademark of the ADAMA group. CLEAVE® contains 2.5g/L (0.25% w/w) florasulam and 100g/L (10% w/w) fluroxypyr (present as 144 g/L fluroxypyr-meptyl). Contains 1,2-benzisothiazol-3(2H)-one. Use plant protection products safely. Always read the label and product information before use. For further product information, including warning phrases and symbols, refer to www.adama.com/uk or call The Technical Helpline on 01635 876 622.
