When using tank mixes always follow the statutory conditions of all tank mix partners. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. ADAMA Agricultural Solutions UK Ltd gives no warranty and accepts no liability in respect of physical compatibilities and use is at growers own risk. CLEAN CROP NATIONAL® is a registered trademark of the ADAMA group. CLEAN CROP NATIONAL® contains 400 g/l (36% w/w) pendimethalin. Use plant protection products safely. Always read the label and product information before use.
