-------------	-------------

### 3-Way Mixes

The following tank mixes have been tested under continuous agitation for physical compatibility with TELSEE® and will mix at recommended rates:

Comet + Caramba	Swift + Opus	Prosaro + Swift	Helix + Opera
Comet + Opus	Helix + Escolta	Proline + Comet	
Swift + Caramba	Opus + Amistar	Prosaro + Comet	

When using tank mixes always follow the statutory conditions of all tank mix partners. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. ADAMA Agricultural Solutions UK Ltd gives no warranty and accepts no liability in respect of physical compatibilities and use is at growers own risk. TELSEE® is a registered trademark of the ADAMA group. TELSEE® contains 480g/L ethephon (39.7% w/w). Use plant protection products safely. Always read the label and product information before use.
