Herbicides for

Rice Cropping Solution

ADAMA

Simply. Grow. Together.

Regain your field advantage

Preface™ and Postscript™ Herbicides for FULLPAGE™ Rice Cropping Solution control menacing weeds so your crops can thrive and profits can grow

Fight Yield-Robbing Weeds

FULLPAGE Rice Cropping Solution combines RiceTec's high-yielding seed with a new IMI herbicide-tolerant system, delivering unparalleled control of most troublesome weeds.

A Better Way To Grow Rice

Preface and Postscript herbicides from ADAMA provide excellent control of weedy/red/feral rice, barnyardgrass and most other common and troublesome rice weeds.

Protect Your Acreage

Combat herbicide resistance while maintaining good stewardship.

Maximize Your Harvest

High-yielding hybrids free from weed competition and contamination increase harvest value and profits.
